Layout by Rob Evans

PUBLICATION GUIDELINES:

We ask contributors to submit two (2) typed copies, following the format (on such issues as references and notes) of articles in this issue of **TRANSFORMATION**. Whilst the journal will cater for work at any level of abstraction, or detail, a number of criteria will guide the editors in selection of material for inclusion. Articles should aim for academic rigour but also clarify the political implications of the issues discussed. We are concerned not to compete with other South African journals that may cover related ground but in different ways - this will govern our selection principles. All articles will be assessed anonymously by referees. Contributions should preferably not exceed the following lengths:

Analytical articles: 7 000 words

Debates and review articles: 3 000 words

The views expressed in **TRANSFORMATION** do not necessarily reflect those of the editors.

EDITORIAL AND CONTRIBUTIONS ADDRESS:

TRANSFORMATION,
c/o Economic History Department
University of Natal
King George V Ave
4001 Durban
South Africa

Subscriptions rates and address at the back of this issue.

Articles

MIGRANTS, COMRADES AND RURAL REVOLT: SEKHUKHUNELAND 1950 - 1987

2

PETER DELIUS argues that whilst the ANC built an effective organisation in rural Sekhukhuneland in the 1950s and were pivotal in a major rural revolt there, today's rural context and especially the transformation of youth culture, creates a new kind of challenge to contemporary organisation.

RETHINKING CHIEFTAINCY AND THE FUTURE OF RURAL LOCAL GOVERNMENT: A PRELIMINARY INVESTIGATION

27

Like Delius, **ALASTAIR McINTOSH** is concerned with social conflicts in rural South Africa. The position of chiefs is being challenged but doing away with chiefship also presents difficulties.

IS THIS THE SWAZI WAY? STATE, DEMOCRACY AND THE LAND QUESTION

46

In Swaziland, royal hegemony has enjoyed much greater acceptance as the 'Swazi way'. **RICHARD LEVIN** tries to explain how and why and considers the requirements for constructing a counter-hegemony.

WELFARE UNDER PRESSURE: FINANCING SOUTH
AFRICAN SOCIAL WELFARE 67

The South African welfare system is contradiction-laden and full of strain. Yet post-apartheid South Africa, argues FRANCIE LUND, will need to rely on its effective development as she lays out present structures and articulates future needs.

CONSTITUTIONAL ISSUES FOR A FREE SOUTH AFRICA:
DECENTRALISATION OF A UNITARY STATE 81

KADER ASMAL argues that discussion about the future development local and regional government has been bedevilled by Establishment attempts to preserve privilege. Yet there is a crucial need to develop devolved structures that will sustain, rather than hinder, the flowering of a non-racial democracy.

DEBATE

CONSENSUS AND CONTENTION: A NOTE ON THE
CURRENT STATE OF THE LAND DEBATE 96

ANNE VAUGHAN responds to the articles on agrarian change in Transformation 12 as well as recent Urban Foundation thinking. If some of the discussion on the 'land question' seems unrooted in realities and rhetorical, the latter thrust is 'contradictory, evasive and mealy-mouthed.'
