ERRATA Transformation 87 and 89
In the previous issue of Transformation (89) we inadvertently neglected to thank David Moore for the editing and writing role he played in the focus on issues raised at and through the lecture by John Saul.

In addition the contribution by Margaret Daymond needs to be noted as a review article, and not just a review.

In issue 87 author Musawenkosi Malabela’s affiliation also to Society, Work and Development Institute (SWOP) at Wits University was not mentioned in the list of contributors.

The editors apologise for these omissions.
