PUBLICATION GUIDELINES:

We ask contributors to submit two (2) typed copies, following the format (on such issues as references and notes) of articles in this issue of **TRANSFORMATION**. Whilst the journal will cater for work at any level of abstraction or detail, a number of criteria will guide the editors in selection of material for inclusion. Articles should aim for academic rigour but also clarify the political implications of the issues discussed. We are concerned not to compete with other South African journals that may cover related ground but in different ways; this will also govern our selection principles.

All contributions will be assessed anonymously by referees. Contributions should preferably not exceed the following lengths:

analytical articles: 7000 words

debates and review articles: 3000 words

The views expressed in **TRANSFORMATION** do not necessarily reflect those of the editors.
