Notes for Contributors

See 'Publication Guidelines', inside front cover, noting in addition the detailed information available on the website *www.transformation-journal.org.za*.

An MS Word submission of your article should be emailed to *submissions@transformationjournal.org.za*. Submit a short biographical note – see previous issue; with postal and e-mail addresses, and telephone number; also position, department or unit in which employed, university/institution information, on separate page.

Articles should preferably be less than 8,000 words, but longer articles may be submitted. Brief abstracts are required, to accompany the submission.

It is essential that submissions follow the style format employed in the most recent issues of the journal. This is especially the case with references and notes. While we recognise that some references (such as to archival material) are more appropriately located in the note format, these are to be seen as exceptions.

Copies that do not approximate the style requirements will be returned to authors for resubmission.
